International Centre for Settlement of Investment Disputes

August 17, 1981

Dear Mr. Chairman:

Pursuant to Administrative and Financial Regulation 4(4), I hereby submit to the Administrative Council for its approval the Annual Report on the operation of the International Centre for Settlement of Investment Disputes required by Article 6(1)(g) of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States. This Fifteenth Annual Report covers the fiscal year July 1, 1980 to June 30, 1981.

The report includes the audited financial statements of the Centre, presented pursuant to Administrative and Financial Regulation 18.

Sincerely yours,

H. Golsong
Secretary-General

Mr. A. W. Clausen
Chairman
Administrative Council
International Centre for Settlement of Investment Disputes

Organizational Changes

The term of office of Mr. Broches expired at the close of the Fourteenth Annual Meeting of the Administrative Council. Mr. Broches had held this post since the inauguration of the Centre on February 2, 1967.

On the nomination of Mr. Robert S. McNamara, the Administrative Council unanimously elected, on October 2, 1980, Mr. Heribert Golsong, Vice-President and General Counsel of the World Bank, Secretary-General of the Centre for a six-year term.

Pursuant to ICSID's Administrative and Financial Regulation 8(2), Mr. Golsong, on November 11, 1980, designated Mr. Georges R. Delaume, Senior Legal Adviser of the World Bank, to act as Secretary-General during his absence or inability to act. In the event that both Messrs. Golsong and Delaume would be absent or unable to act, Mr. Golsong designated Miss Karin Nordlander, Counsel, World Bank Legal Department, to act in his stead.

Membership

The Convention was signed by Barbados on May 13, 1981, and by Paraguay on July 27, 1981, bringing the number of signatories to 85. Ireland deposited its instrument of ratification on April 7, 1981, bringing the number of Contracting States to 79.

Promotional Activities

The Centre has published a new brochure (Document ICSID/12) intended to ensure greater dissemination of information regarding the advantages of ICSID conciliation and arbitration. The publication is available from the Centre upon request.

On May 11, 1981, the Centre organized a seminar in Paris, held at the European Office

of the World Bank, entitled "ICSID: Principal Aspects of the Settlement of Investment Disputes—The Point of View of the Users". The seminar was attended by a number of corporate executives, bankers, lawyers and government officials. It provided a useful and candid exchange of views which showed significant interest in ICSID by the business community.

Disputes Submitted to the Centre

During the past year, two cases were terminated by an award and two new cases were registered by the Centre.

Procedural data on all arbitration cases brought before the Centre appear in Annex 6 to this Report.

- (1) *Société Ltd. Benvenuti & Bonfant srl v. Government of the People's Republic of the Congo* (Case ARB/77/2)

On August 8, 1980, the Tribunal renders a unanimous award.

- (2) *Guadalupe Gas Products Corporation v. The Federal Military Government of Nigeria* (Case ARB/78/1)

An award embodying the parties' settlement agreement is rendered by the Tribunal on July 22, 1980.

- (3) *AMCO Asia Corporation, Pan American Development Ltd. and P.T. AMCO Indonesia v. Government of Indonesia* (Case ARB/81/1)

On February 24, 1981, the Centre receives a request for the institution of arbitration proceedings. The Secretary-General registers the request on February 27, 1981.

- (4) *Klöckner Industrie-Anlagen GmbH, Klöckner Belge, S.A. and Klöckner Handelsmaatschappij B.V. v. United Republic of Cameroon* (Case ARB/81/2)

On April 10, 1981, the Centre receives a request for the institution of arbitration proceedings. The Secretary-General registers the request on April 14, 1981.

Finance

The Financial Statements of the Centre for Fiscal Year 1981 are set forth in Annex 7. The expenditures of the Centre were again covered entirely by the services and facilities made available by the World Bank free of charge pursuant to the Memorandum of Administrative Arrangements concluded between the Bank and the Centre in February

1967,¹ and by income from the sale of publications. Thus it was not necessary to assess any excess expenditures to the Contracting States pursuant to Article 17 of the Convention.

The Centre's expenses which are attributable to the pending arbitration proceedings are borne by the parties in accordance with the Centre's Administrative and Financial Regulations. In accordance with these Regulations, the Secretary-General calls on the parties from time to time to make advance deposits to defray the expenses of the proceedings.

¹ The text of which is set forth in Annex 5 of the First Annual Report, in relation to AC(M)RES/3.

¹ The Convention was signed on behalf of the Republic of China on January 13, 1966, and ratified on December 10, 1968. At its Fourteenth Annual Meeting on October 2, 1980, the Administrative Council considered a communication received from the People's Republic of China, decided that the Republic of China be removed from the list of Contracting States and noted that, pending study by the Government of the People's Republic of the possibility of becoming a party to the Convention, China is not a Contracting State.

² Denmark excluded, by a notification received on May 15, 1968, the Faroe Islands; by a notification received on October 30, 1968, Denmark extended the application of the Convention to the Faroe Islands as of January 1, 1969.

³ Germany declared, on depositing its instrument of ratification, that the Convention would also apply to the Land Berlin.

Proceedings

April 20, 1972 Opening session of the Tribunal at the seat of the Permanent Court of Arbitration in The Hague. The Tribunal fixed as time-limits for the written pleadings June 20, 1972 for the memorial of the Claimants and August 20, 1972 for the counter-memorial of the Respondent. The Claimants having announced their intention to submit a request for provisional measures pursuant to Article 47 of the Convention, the Tribunal granted the parties equal time for the submission of the request and the reply thereto.

May 16, 1972 The request for provisional measures having been received by the Respondent on that date, the reply became due on June 11, 1972.

June 2, 1972 At the request of the Respondent the President extends the time-limit for the reply to June 23, 1972. (The Respondent did not submit a written reply.)

June 15, 1972 Upon a request of the Claimants for an extension of the time-limit for their memorial, the President fixes new time-limits for the deposit of the memorial and counter-memorial at July 20, 1972 and October 20, 1972, respectively.

June 30-July 1, 1973 The parties having made their additional submissions within the fixed time-limits, the Tribunal convenes in order to decide on the objection to jurisdiction. On July 1, 1973 the Tribunal decided (i) that it was competent with respect to the dispute submitted to it; (ii) that Holiday Inns, S.A., Occidental Petroleum Corporation and Holiday Inns, Inc. were entitled to be parties to the proceedings; (iii) that HISA Marrakech, HISA Fes, HISA Tanger and HISA Casablanca were not entitled to be parties to the proceedings; (iv) that the question whether Occidental Hotels of Morocco, Inc. was entitled to be a party to the proceedings was joined to the merits; and (v) that the parties should submit a reply and rejoinder, respectively, on the merits by September 14, 1973 for the Claimants and November 30, 1973 for the Respondent.

In the last decision the Tribunal invited the parties to examine, prior to December 31, 1975, the possibility of concluding certain supplemental agreements required to permit their reciprocal contractual obligations to be performed.

December 30, 1975 In response to requests from both parties, the President extends the above time-limit to February 28, 1976.

March 16, 1976 The parties having informed the Tribunal that the supplemental agreements could not be concluded, the Tribunal renders a further interim decision dissolving certain contractual bonds between the parties and invites the parties, if they wish to modify their submissions in view of the decision, to submit them to the Centre before June 16, 1976.

June 14 and 15, 1976 Modified submissions of the Respondent and the Claimants, respectively, delivered to the Centre.

Annex 6 (continued)

- July 27, 1976 The Secretary-General informs the parties that the President has learned from Sir John Foster that the latter had accepted an appointment as "outside director" on the Board of Occidental Petroleum Corporation, one of the Claimants.
- September 27, 1976 Messrs. Sture Petré and Paul Reuter meet to consider Sir John Foster's resignation which was submitted subject to the condition that the Claimants appoint his successor. They decided (i) that the condition attached to the resignation was not a proper one and should be disregarded, and (ii) to withhold the Tribunal's consent to the resignation. As a result the proceedings were suspended and the vacancy was to be filled pursuant to Article 56(3) of the Convention by the Chairman of the Administrative Council. The Claimants objected to the Tribunal's decision and reserved their rights with respect thereto.
- October 28, 1976 Professor J. C. Schultsz (Dutch), appointed by the Chairman of the Administrative Council to fill the vacancy created by Sir John Foster's resignation, accepts his appointment and the proceedings are resumed.
- November 9, 1976 The Tribunal, by a procedural order, permits the parties to submit additional written observations on each other's modified submissions not later than December 31, 1976.
- December 14, 1976 Suspension of the proceedings upon the death of the President of the Tribunal, Mr. Sture Petré.
- December 31, 1976 The parties' additional written observations on each other's modified submissions delivered to the Centre.
- April 14, 1977 Resumption of the proceedings upon the acceptance by H. E. Gunnar Lagergren (Swedish) of his appointment as President of the Tribunal by the Chairman of the Administrative Council pursuant to Arbitration Rule 11.
- June 20, 1977 Meeting of H. E. Gunnar Lagergren with the Secretary-General to prepare the further conduct of the proceedings.
- December 2-3, 1977 First deliberations of the reconstituted Tribunal in Paris. The Tribunal considers the parties' latest submissions, as well as written replies to certain questions addressed to the parties by the Tribunal. Upon conclusion of the deliberations, a decision and procedural order is rendered by the Tribunal whereby it decides to continue the proceedings from the point they had reached prior to the death of President Petré. As part of this decision and procedural order, the Tribunal calls for statements of financial contribution from the parties.
- January 23-24, 1978 Hearings in Paris before the Tribunal. In addition to the statements of financial contribution, the Tribunal considers a set of incidental submissions presented by the Claimants. After a decision by the Tribunal on these incidental submissions, the Claimants deliver to the Secretary-General a request for annulment of the decision and procedural order of the last session concerning continuance of the proceedings. The Secretary-General declares that he has no power to register the request for annulment since the Convention provides for annulment of awards only, and no award has been rendered. Further submissions for a suspension of the proceedings are thereupon made by Claimants. The Tribunal orders the proceedings to continue as scheduled. Claimants object to the rulings of the Tribunal and the Secretary-General, and reserve their rights with respect thereto.

The Memorandum of Administrative Arrangements between the Centre and the International Bank for Reconstruction and Development (the Bank) which became effective as of October 14, 1966, provides, *inter alia*, that, except to the extent that the Centre may be reimbursed by the parties to proceedings for fees and expenses of members of Conciliation Commissions, Arbitral Tribunals or Committees of Arbitrators, the Bank shall provide the following services and facilities to the Centre:

- (1) the services of staff members and consultants;
- (2) other administrative services and facilities, such as travel, communications, office accommodations, furniture, equipment, supplies and printing.

The Centre does not have resources of its own. The reported expenditures on behalf of the Centre represent the value of the services provided by the Bank and include only those amounts identified by the Bank as being directly related to the Centre, and, accordingly, do not include any indirect or overhead costs of the Bank. The reported contributions of \$217,084 and \$214,805 in 1981 and 1980, respectively, are equal to the value of services provided by the Bank, less reimbursements by the Centre from its sale of publications and registration fees. The expenditures made on behalf of the Centre by the Bank are shown below:

The Centre's expenses which are attributable to arbitration proceedings are borne by the parties in accordance with the Centre's Administrative and Financial Regulations. In accordance with these Regulations, the Secretary-General calls on the parties to make advance deposits with the Centre from time to time to defray these expenses. The cash balances reflected in the statements of composition of fund balance represent advances from parties to proceedings and amounts due to the Bank.
